SAN GABRIEL SOLAR NEWSLETTER

"SOLAR IS GREEN". Green energy is totally the new rage in this generation, but it is also a way to look out for the future of our planet and reduce our impact specially with the "CLIMATE CHANGE". Solar is a renewable energy source. No matter what the circumstances is, if there is a sunny spot nearby the solar can be a very good option to power something remotely installed.

New Product!

Our newly designed solar panel with automatic trade switch, GFI-50 and 100 amp, 4.3" TFT touch display, dump load, power surge programming and built-in wind sensor.
